SHELLEY

Saucepot Shelley is popular with the fellas thanks to her spectacular hand shandy technique. “Lots of girls can’t do it well – their grip is wrong, or their arm gets tired too quickly, but I’m an expert at wanking blokes off!” She sure is – even when she’s not in the room she gives us the urge to do it ourselves!

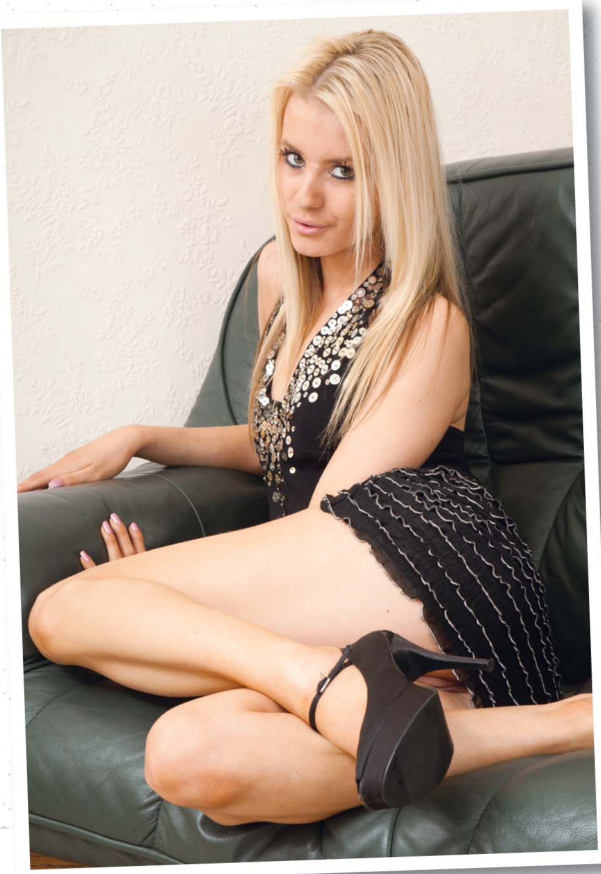
Two sides to every dirty story



I thought the readers of *Razzle* might like to know how my wife gets her kicks.

We go out to clubs in London and sit apart from one another.

She dresses very provocatively and, looking the way she does, it's not long before someone approaches her and picks her up.

I then have to watch as she allows herself to be groped and fondled, all the while she looks over at me and smiles.

When her and her new man leave together, I follow. I then have to wait outside the guy's flat while Debbie gets up to all sorts inside. It's murder.

When she finally reappears, she usually has that look about her that tells me she's been fucked good and hard.

Once I had to wait in my car for four hours imagining all sorts of things.

When she finally emerged she looked shattered and I wasn't surprised to learn that there had been two other men in the flat when she arrived back there.

She then told me how she had been repeatedly fucked in every position by the three of them. This is how we have kept a fifteen year marriage alive and fun.

Her latest thing is to go up to the guy's flat and phone me in our hotel room. She then leaves the phone off the hook by the bed so that I can hear every detail of her performance.

Phil, Hull

Despite having difficulties reading my hubby's writing I had to stop and smile when I read the phrase "how my wife gets her kicks".

While I openly admit to loving other guys' cocks, I feel that my husband neglected to mention that he gets an equal thrill out of encouraging me to be "a horny married slut".

It's Phil who encourages me to wear short skirts that barely cover my stocking tops and tops that struggle to contain my nicely sized 34B tits.

And I didn't hear him complain when I decided to have my nipple pierced.

It's Phil who buys me tight stretch lycra tops knowing full well that I have to go bra-less and the gold bar that pierces my nipple pokes through the

FILLY FILMS

From *Brideshead Revisited* to *Downton Abbey*, from buying up London Bridge to tuning into the Jubilee, the Yanks adore the UK's "quaintness". Nothing is done to dispel the illusion that the Brits are a bit twee and love a brew in this girls-only Filly Films release *Tanya Tate's Tea and Muffin Party* – but at least we're portrayed as raging sexpots too! Sam Bentley and Adrianna Luna dip into each other's sugar bowls while tea time treats for Tanya and Elaine Raye include munching on succulent muffins. Best enjoyed with a dollop of cream!

"Hubby likes to watch my wedding-ringed hand wrapped round another guy's bloated shaft!"

material, drawing extra attention to my tits.

Having fun in clubs in only part of our "fun". For me, the biggest kick has to be having Phil present to "watch and assist" me as I'm fucked.

When I say "watch", it's about him seeing my left hand wrapped around another guy's bloated shaft. Always my left hand? Any ideas why?

The answer, because that's the hand I wear my engagement and wedding bands on.

The next best thing to having a guy flood my womb with cum is to watch my hubby's face when I guy blows a heavy load all over my tits after I've just wanked him with this hand.

Which brings me to Phil's final roll – to "assist" me. With no objections from Phil, I always insist he cleans my up afterward, and this usually involves me lowering my gooey open pussy onto his eager tongue. Now that really is something special.

Phil and I would welcome mail, especially from other couples, who share similar interests and lifestyles, or just from assertive confident guys.

Fuck fireworks on Bonfire Night

A few months back, after a great fuck, my boyfriend demanded I get naked apart from my black boots, don a coat and go for a walk.

It was Bonfire Night and there were lots of people coming and going. I felt quite nervous and extremely cold.

The only part of me that wasn't cold was between my legs. It was wet and I had a warm throbbing sensation as we walked hand in hand.

It wasn't long before Paul was leading me up a dark alley between two houses as fireworks exploded around us.

He undid the bottom two buttons on my coat and forcefully separated my smooth legs until they were wide enough for him to finger my freshly shaven pussy.

My pussy was so wet his finger slid inside me with ease. I was so excited I reached down to touch the bulge in his trousers.

I wanted his cock there and then. We were kissing passionately, and I was very close to cumming when Paul suddenly stopped.

"Don't move, someone is watching us from the bottom of the alley," he whispered in my ear.

I didn't care, I was about to cum. I moaned, ignored him and kept on kissing him. The stranger began to walk up to us, though I was oblivious.

Paul was fingering me faster and faster. He completely undid my coat and began to suck my breasts.

I was standing with my back to the wall, legs wide open. He fell to his knees and kissed my pussy, gently at first then faster.

That was it, I was cumming with a terrific yell. My eyes had been closed throughout and as I shuddered I let my head fall down.

I opened my eyes to see the stranger was standing behind Paul, just staring. I saw he was holding his cock in his hand.

Paul was still licking my fanny, unaware that the stranger was so close behind him. Paul stood back up and bent me over so I could not see him.

He then invited the stranger to fill my aching pussy with his cock. It caught me unaware, feeling strange at first.

He slowly put the tip of his knob on my clit and started to rub slowly and then increasingly quickly until I needed it deep inside me.

I grabbed it and shoved it inside me, then to my surprise Paul appeared at my side. He turned my head towards him and I opened my mouth to receive his juicy cock.

It was amazing. I could do no more than keep sucking. Every stroke the stranger took I gasped and sucked harder till I couldn't hold back any longer.

I felt myself quivering uncontrollably as I began to cum again. Paul must have felt this, as he grabbed his cock and began wanking into my mouth.

I was so excited I moaned for the stranger to pump me harder. This sent Paul over the edge. His spunk burst into my mouth, sending me wild.

The stranger must have seen Paul cumming because he began to breathe heavily and then withdrew. I felt his hot spunk on my arse.

Paul pulled me close to him and we began kissing once again. The stranger had gone, and Paul and I went home and straight upstairs to bed.

It was there he confessed that it had all gone according to his plan. He said he'd find out if Dave had enjoyed it as much as we had when he went in to work on Monday.

He promised me he'd fulfil one of my fantasies and he was true to his word. I would have preferred more time with them indoors, though!

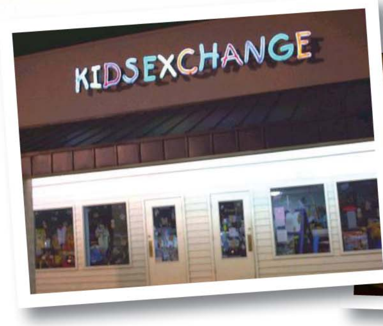
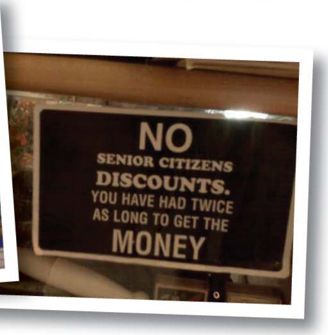
What is female Viagra also known as? Jewellery.





I hate double standards: if a woman sleeps with loads of blokes then she is called a slut, and yet if a guy does it, he's considered a homosexual.

Bob and Bill are in the pub, having a pint. Bob goes to have a cigarette and asks Bill for a light. Bill passes him a 12 inch lighter.

Surprised, Bob asks, "Where the hell did you get that?" Bill shrugs, "Oh, I've got my own genie – he gave it to me."

Incredulous, Bob says, "A genie? Can he grant me a wish?" Bill shrugs, "Yeah, but he's a bit deaf so make sure you speak up." And with that, he summons the genie.

Bob clears his throat and says, "Genie, I wish I had a million quid." And with that, one million squid fell from the sky, landing all around them.

"Damn! I said QUID, not SQUID!" Bob yells, "You're right Bill, that genie is fucking deaf."

Bill replies, "I did warn you. I mean, do you really think I asked for a 12 inch BIC?"

WHY DO MEN GIVE THEIR DICKS NAMES? BECAUSE THEY DON'T LIKE THE IDEA OF HAVING A STRANGER MAKE 90% OF THEIR DECISIONS.

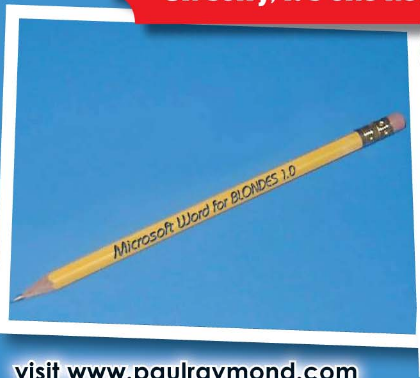
THE WORKPLACE IS JUST LIKE A TREE FULL OF MONKEYS, ALL ON DIFFERENT BRANCHES AT VARIOUS LEVELS. SOME MONKEYS ARE CLIMBING UP AND SOME OF THEM ARE GOING DOWN. THE MONKEYS THAT ARE AT THE TOP LOOK DOWN AND SEE A TREE FULL OF SMILING FACES. THE MONKEYS AT THE BOTTOM LOOK UP AND SEE NOTHING BUT ARSEHOLES.

A man goes into a bar and stands next to a beautiful girl, making a point of continuously checking his watch.

Finally she turns to him and asks, "Is your date late or something?" He shakes his head, "No, I just got this magic watch." She laughs, "And what exactly does this watch do to make it magic?"

The man smiles. "Oh, it tells me precisely what's going on." The girl grins back, "Oh, it does? And what does it say now?" The man checks his watch, "It says that you're not wearing any knickers." The woman laughs again, "Well, I'm afraid your watch is wrong – I am wearing knickers!" The man shakes his head.

"Oh sorry, it's one hour fast!"



TRACY

Tracy takes her time with her morning ablutions. "I'm in heaven as I spray hot then freezing cold jets onto my pussy! Then I lather up my boobs and bum and fuck myself slowly with the shower head." Don't people hammer on the door? "Sure – my boyfriend. But he just joins me to fill my face with cock!"

TRUE CON

THERE'S LESBIAN LOVE AMONGST THE COXLESS FOURS DOWN AT THE ROWING CLUB

I've been in a girls' rowing team for the last few years. This means I have to put up with an awful lot of stick from my male friends about what we get up to after outings in the showers, well, you can imagine. And although I used to make stories up just to amuse them and wind them up, the other day something actually happened for real, that I just couldn't wait to tell them about.

The first thing to realise though is that we're not all big, butch girlies, who resemble Russian shot-putters. In fact, the longer and leaner the girl, the better it is for rowing. The other thing is that we spend an awful lot of time in skintight lycra, so there's very little left to the imagination – if you were interested, there's not much more to see! And in case you were wondering, it's also true that there's not much room for any underwear under an all-in-one rowing outfit.

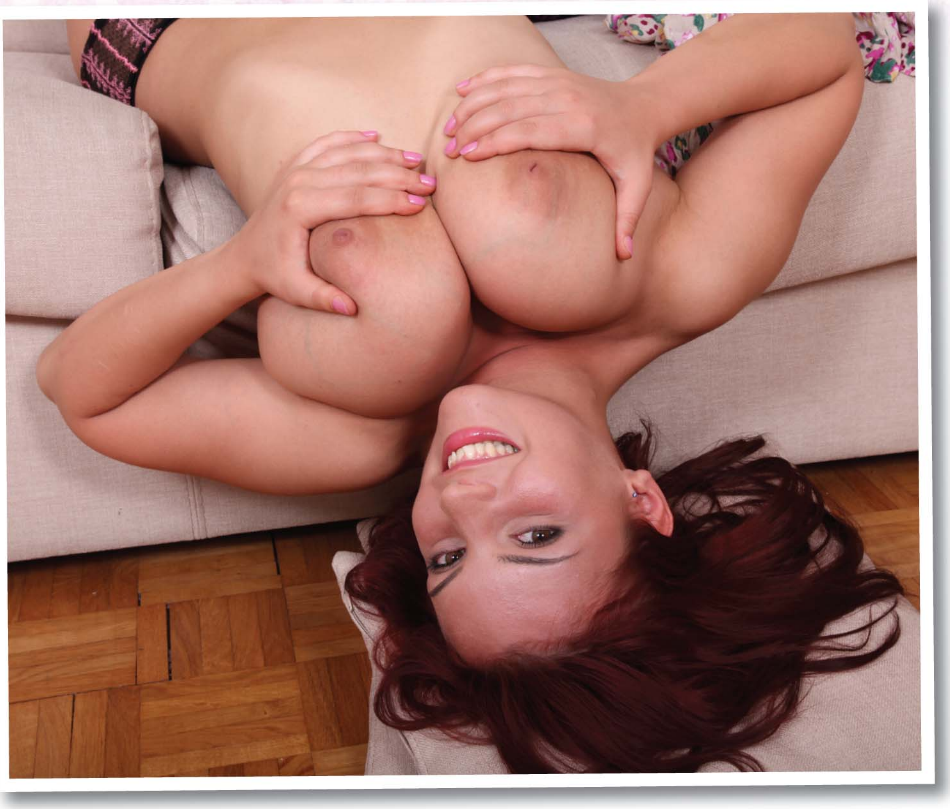
I row in an aptly-named coxless four. There are always competitions at the weekend, and after a big race it's back to the club to unload the boats before we have a few pints in the bar. A few weekends ago, we'd won gold and decided to really celebrate. The only problem is, when you've been racing all day the alcohol tends to go to your head pretty quickly, what with the exertion and adrenaline. Most of the other girls had drifted home, but a couple of us were lying around in the clubroom, still in our kit, indulging in some post-race analysis. One of the crew members, Sara, is the kind of girl who finds it hilarious to indulge in a bit of arse-slapping and nipple-tweaking, though I suppose it had never really crossed my mind that she was into girls sexually. So when she suggested it was about time we all had a shower, I didn't really think anything of it. After all, we did stink!

As you'd expect, our showers are communal, with no curtains whatsoever, but nobody is particularly modest in our team so it's not really a problem. I guess modesty goes out of the window as soon as you pull the lycra uniform on! We all piled in the changing rooms, shrieking with laughter and staggering from all the booze. I stripped off first and bounced into the shower, while the others faffed about, getting undressed. I had just started soaping myself up when I felt Sara's hands on my shoulders.

"Let me wash your hair for you," she said, rubbing some shampoo into my head. This was pretty strange behaviour, even from Sara, but I let her carry on as it felt pretty nice having her massaging me while the hot shower streamed down over my head.

Then, however, her hands started to move further down, cupping my breasts from behind and squeezing at my nipples. This definitely wasn't the playful tweaking of before, but to be honest I was so high from

FESSIONS



"SHE SPREAD MY BUTTOCKS AND TONGUED MY ARSE"

the adrenaline and alcohol that I let her continue. Then she reached for my pussy. My first, guilty, reaction was to clench my legs together so she wouldn't be able to explore me, but she carried on soaping my belly, moving closer and closer towards my clit so that I gradually relaxed and let her find my cunt. All the time she was biting at the back of my neck, expertly teasing my body as though she'd done this hundreds of times before.

As this thought entered my head, I suddenly remembered my two other crew mates. Out of the corner of my eye, I caught sight of them with their hands all over each other, watching Sara fuck me. Before I even had time to wonder whether they'd both been initiated in this way, Sara was on her knees behind me, spreading my buttocks, forcing her tongue between my crack. I'd always thought this was really dirty, but now, standing here in the shower, I instinctively bent forward, pressing my hands against the wall so she could ram her tongue further inside me, before running it deliciously round my rim. Then, suddenly, she was right underneath me, sucking at everything, pushing her fingers inside my aching, dripping snatch. I could hear moaning behind me as the other two, turned on by what they were seeing, were obviously having some fun.

I got a real kick out of the fact it turned them on, watching me being fucked by a girl, and I couldn't help but start to moan myself. We slid to the floor of the shower, so Sara could finally get her mouth round my nipples and I could rub myself against her hard thighs, loving the feel of them on my clit. I stretched my legs wide, so my swollen nub was pressing right against her skin and, in a frenzy, I frigged myself off against her.

When I felt slender fingers pushing into my arsehole and up my fanny, I hardly knew if it was Sara or one of the others, but it was enough to make me begin to climax; my tingling clit sending waves of pleasure throughout my body. I relished the feeling of writhing against her smooth body, the water from the shower mingling with my streaming pussy juices. At that moment I knew rowing was going to be a lot less painful _ and a lot more enjoyable – than it had been in the past!

Wife dances to stranger's tune

> "My fucked pussy was red and swollen and needed a licking to soothe it"

My husband and I love to go clubbing and it really turns him on when he catches guys watching me dance.

On a night out I don't usually wear any underwear as it only inhibits any urges that we will have when we're walking home later.

Anyway, one particular night I had on a tiny black skirt and a very tight boob-tube. My nipples were protruding for all to see.

We had a dance and my husband noticed that some guy was dancing closer and closer to us, positioning himself so he was facing me. He was smiling and staring at my very erect nipples.

My husband noticed this so he got behind me and started groping my tits while the stranger and I kept eye contact.

After a couple of minutes my husband slid my top down. He pulled it up again immediately, but it was enough to give the stranger an eyeful.

My husband asked the stranger if he wanted a taste of what he'd seen, and he said he did. We left the club and hurried home in a taxi.

All three of us got into the back of the taxi, horny at the thought of what was to come.

In the taxi my husband started stroking my inner thigh and my pussy ached for attention.

I parted my legs as a signal to be fingered. My husband gave the guy a wink and a nod and he stoked my other thigh, going far enough up to feel my

“He nibbled my clit while I sucked and stroked my husband till he came”

juices on his fingertips.

By the time we got home I was aching so much I had started to stroke and finger my soaking pussy, rubbing the juices around my clit.

As we paid the fare and got out the taxi the driver winked at me and I noticed his hand was on his crotch.

Then I realised he must have had a really good view of my eager pussy in his rear-view mirror.

We unlocked the front door and went into the living room. I could feel my juices starting to run down my leg. As I grabbed some drinks from the kitchen I heard my husband talking to the stranger.

When I entered the room the bloke, who was called Adam, asked me to dance for them both. I was so horny and really only wanted to feel their cocks inside me but I agreed anyway.

I put on some really sensual music and started to move slowly in front of them, moving my hands up and down my body and squeezing my nipples.

I could see by the bulges in their pants that they were both turned on. I started to slide my hands inside my skirt and play with my pussy.

Adam suggested I remove my skirt so they could see what I was doing. I took my skirt and top off so they could watch me finger myself and rub my juices over my nipples and mouth.

My husband unzipped his pants and eased out his solid glistening cock. I began to lick my lips as he slowly wanked while watching me bring myself off.

Adam then just took off his pants completely and laid them to one side. He said it was because he didn’t want to get cum stains on them as he thought he was about to explode.

I asked him if he would like to shoot in my mouth. Before he could reply I was down on my knees licking the pre-cum from his throbbing head.

My husband started to wank faster as I went down on Adam, slowly teasing his solid cock with my teeth.

My husband got behind me and rammed his dripping meat in so hard and fast I nearly choked on Adam’s cock.

I managed to match my husband’s rhythm so that as he pumped me my head moved up and down on Adam’s cock.

I could feel Adam starting to tremble and moan before he emptied his sweet hot seed into my mouth. I came right after that, and then my husband and Adam swapped places.

Adam eagerly licked my cum juices and nibbled my clit while I sucked and stroked my husband until he came, mixing both lots of cum together in my mouth.

We went on fucking for most of the night until Adam had to leave. My pussy was swollen and red the next morning but my husband gave it a good licking to soothe it.

My husband really got horny watching me suck another man’s cock and being fucked by him. We are going to do it again with another stranger or maybe a couple next time.

Carol, N.Yorks.

HOT & I KNOW IT

Cute as buttons and almost as cheap, Chloe and Kacie are bubbling with excitement about their first shoot together. "It's really good! Really sexy!" purrs Chloe. "Yes, so sensual. And your pussy tastes so great!" sighs Kacie. "But there's just one thing missing. Wouldn't a big hard cock just round this off nicely?"

sex in the shower: single locking suction foot rest

SEX IN THE SHOWER
SINGLE LOCKING SUCTION FOOT REST
Lock down suction design with flip lever activation.
Dual Locking Suction Handle sold separately

Use your shower to get dirty for a change with this great new invention – Dragons Den eat your heart out. Simply rest your foot on the sucker for extra height and balance leaving you both much more confident and free to enjoy yourselves. With this you'll be sure to end up on the bathroom floor in a heap of post-orgasmic heaven, rather than explaining yourselves down at A&E. It's really easy to release the sucker and reposition during sex, allowing you to max out on different positions. Try it with the handle from the same range for even more possibilities.

Available from www.passion8.com for £12.99

black widow spider 10 speed bullet vibrator

If you suffer from arachnophobia, you might want to look away now. However, if you suffer from a need to have your pussy well and truly eaten alive, read on. I'm used to having creeps crawl all over my cunt (occupational hazard) but this time I far from minded. This black widow has ten vibrating functions that pulsate through her eight legs – thankfully not too hairy. She is also covered in ridges, bumps and nodules, making her perfect for clitoral stimulation. You can also slip it onto you favourite dildo to add a little extra pleasure.

Available from www.lovehoney.co.uk for £12.00

bound to tease paddle (bitch or slut)

Whoever said 'Sticks and stones may break my bones, but words will never hurt me' hadn't had the pleasure of being slapped on the cheeks with this paddle. Leaving the words 'Bitch' or 'Slut' imprinted on your skin, being insulted has never been so much fun. With the charming messages spelt out in diamante, you could get a way with giving this as a gift. That is if you want to give your other half a belting birthday.

CASSIE

Cassie has a special anniversary present for her boyfriend of two years – a strip in his favourite magazine! "I haven't let him have any sex for a couple of weeks and I'm not going to until he sees the magazine. On the 9th August I'm going to get rogered senseless, and suck up a month's worth of his creamy spunk!"

Normal reaction when you're caught playing with yourself? Jump off bed, chuck offending material under duvet, go bright red. Ashley's reaction to being found fingering both holes? Carry on wanking, invite you to sit down and look at her wet hole close up, then beg you to ram your rod up her aching pussy. A class act.

DVD CODE: LS165

Lesbian Yoga Instructor

Rather a sophisticated lesbian DVD showing beautiful, elegant young ladies in a whole host of positions to get you going before they begin to make love for your pleasure. This film is very well made & will delight all real lesbian sex connoisseurs.

DVD CODE: LS166

Really Perveted Teenager

It is a commonly known fact that black t-girls have the biggest penises. Well these babes have oversized cucumbers dangling between their legs and each one shoots her sticky semen for your viewing pleasure.

Lucky fucker

Megan & Marcus

I got into fucking in public when I had a fling with a bloke called Todd. He always wanted a shag wherever we were, because he'd say he couldn't wait to get me home, so there was many a time we found ourselves in park bushes, and the like!

At first, we'd fuck in out-of-the-way places, but one night we ended up in his neighbours' garden. He led me right to the middle of their back lawn, stripped us both naked, then probed my fanny with a couple of fingers, just to make sure I was nice and moist. I was, but he still gave me a bit of a licking, diving his head between my thighs as he wanked his proud erection. He got in between my legs, spreading them with his knees. One second his prick was butting up against my hole, the next it was in me to the hilt and we were fucking, stark naked, missionary-style in the middle of the garden.

I don't know what turned me on most – how hard and fast Todd's cock was pounding in and out of my cunt, or just the risk of getting caught. I kept on glancing up at the house, waiting for a light to go on, for the owner to see us – my bare legs wrapped around Todd's back, his arse pumping up and down between them. My pussy spasmed with pleasure as I felt his hot spunk jet deep inside me, and my heart was hammering away in my chest. His prick was still dripping with our mingled fuck-juices when he pulled out and I felt them running down the insides of my legs as I stood up. I was so desperate to get away before we got caught that I just grabbed my clothes and ran into some bushes to get dressed. Next day, the bastard told me that his neighbours were actually on holiday!

Things between us didn't last long, but the taste I'd got for public sex did. I've always been a bit of a show-off, and occasionally I'd get a kick out of turning strangers on. One night, I'd had dinner with a married bloke I was messing around with, who'd had to go home to his missus at the end of the night and had put me in a cab home. I was knickerless – I'd handed him my thong over the table, before he finger me to orgasm underneath it. If people reckoned we were getting hot when they saw me sucking on his fingers, they didn't know the half of it – that I was slurping them clean of my own pussy cream. The cabbie was a real gent and when he held the door open for me to get out, I deliberately let my skirt ride up to expose my stocking tops, suspenders and naked cunt. I just wished it had been daylight, so he could have seen how pink and wet and tender it was from the excitement an hour before. He didn't say a word, just watched me safely to my door, but when I got in the first thing I did was grab my vibrator and make myself come again. As I did, my mind flashed between thoughts of my bloke's fingers up my snatch in the posh restaurant, and visions of the cabbie wanking over what he'd seen!

Lucky
Fucker

It got to the stage where my taste for shagging in public turned into a bit of a fetish. Obviously, a fuck's a fuck, but I love that added thrill – although the biggest buzz of all comes when the bloke's got a thing for it, too. Most men will be up for a sneaky shag if I suggest it, but they'll let me take the lead. That's why pulling Marcus felt like winning the fuck-lottery.

> **"He was in me to the hilt, stark naked, missionary-style, in the middle of the garden"**

I met him out clubbing – I meet loads of guys that way. I was wearing one of my lucky outfits, a tight blue T-shirt, denim miniskirt and black spike heels. The sort of bloke I'm into tends to go for the cheeky-cute girlie look, rather than the sexy vamp, so I'd put on this really sweet but sexy matching bra and knickers set underneath. Marcus asked me to dance and, by the third song, we were right up close. As he kissed me, slipping his tongue into my mouth, I rubbed myself against him.

We didn't waste much time once we started coming on to each other. Marcus would rest a hand on my waist and I'd slide it up to my boob. Then he'd be fondling my arse and I'd cop a sneaky feel of his crotch. Suddenly, he said, "Okay, let's stop messing around and go."

A little shiver ran through me as he grabbed my hand and led me towards the gents. He wasn't rough or forceful, but from the way he pressed me firmly up against the wall outside, snogging and caressing me again, I knew he meant business, if I was up for it too.

There was a bit of a queue, and while I was tempted to barge past it, Marcus just worked it into the fun. We got stuck into each other like we were the only two people there, Marcus sucking my nipples through my top, leaving big, wet marks, while I undid his flies and felt him up through his boxers. He had a nice big cock which was already rock hard, though I felt it swell as I teased it with my fingertips. As our kissing got more passionate, Marcus started to dry-hump me up against the wall. I was stood with my legs apart and he ground so hard against me, his thrusts were virtually lifting me up off the floor!

I half-noticed people shoving past us in the queue, so I grabbed Marcus's hand and dragged him into the next free

cubicle – I couldn't wait any longer! The second we bolted the door, his hands went straight up my skirt, one playing with my arse, parting my cheeks, while the other one explored my slit. He teased me, his fingers cupping me over my hole as he pressed and rocked his palm against my clit. I was soon grinding against him, licking and nuzzling his ear and moaning softly into it for him to finger me properly. Sensations went zinging through me as he crooked three fingers, sinking them into my moist hole, then he pulled them straight out again.

He offered them to me to suck – blokes really seem to get off on me doing that. As I lapped up every drop he said, loud enough for anyone outside to hear, "Let's hope you like sucking my cock as much as that – you're not getting anything else until you do."

I knew he was winding me up, but I obediently got on my knees as he sat on the loo. My fingers curled around his stiff prick and I rubbed it all over my face, until I felt his wetness painting my skin. I licked the underside before taking his helmet into my mouth, shutting my eyes as the salty flavour of it spread over my tongue.

Then I started to suck him as noisily as I could, smacking my lips as I slurped his length. Now and again he'd groan, but he left it to me to show eavesdroppers what they were missing. At one point someone thumped on the door, but that just made me suck even harder on Marcus's prick. I started rubbing his balls, all swollen up and heavy with cum, against my chin, rolling them against it with my palm, until he said, "Wanna fuck?"

He helped me out of my knickers and I straddled him, sinking myself slowly down onto his cock, using my hand to guide it into my hole. Even though I was soaking wet, I still whimpered with pleasure as I felt him enter

"I whimpered with pleasure as I felt him enter and stretch my pussy to its limits"

and stretch my pussy to its limits.

As I rode Marcus's cock, grinding and gyrating as he thrust it in and out, he yanked my shirt up and popped my tits out of my bra so he could pinch and suck my nipples. Every tweak and nibble sent a little spasm through my vagina, tightening it around his thick shaft. Then he just used his mouth on them, so he could play with my arse, parting my cheeks wide so he could bury himself deeper in my pussy.

I was right on the edge of cumming when he pulled out, raising me up onto my feet. "Turn round," he breathed and I did, bracing myself against the door. Deep inside me again, he reached around to play with my clit, rolling it between his thumb and fingers until my body started to shiver all over. Then, as my orgasm pulsated through me, he started thrusting again, pulling out until just his tip was inside me, before plunging in down to his ball-sac. I got so caught up in the feel, the rhythm of his prick reaming my snatch, I only half-realised he was playing with my bum again.

Suddenly, he slipped a finger up my arsehole – and it nearly sent me through the ceiling! My hands were banging against the door, and though I'm not much of a screamer for an exhibitionist, my moans were echoing off the stone walls.

At last, I felt Marcus's body stiffen, then he grabbed my hips and pumped a huge load of warm spunk into the very depths of my cunt.

We got a load of cheers and whistles as we emerged from the cubicle, Marcus swinging my knickers from one of his fingers. He gave the gawpers one last treat as we left the gents, flipping up my skirt to flash my naked arse as I walked along, my pussy still tingling and streaming with cum. That got a cheer too!

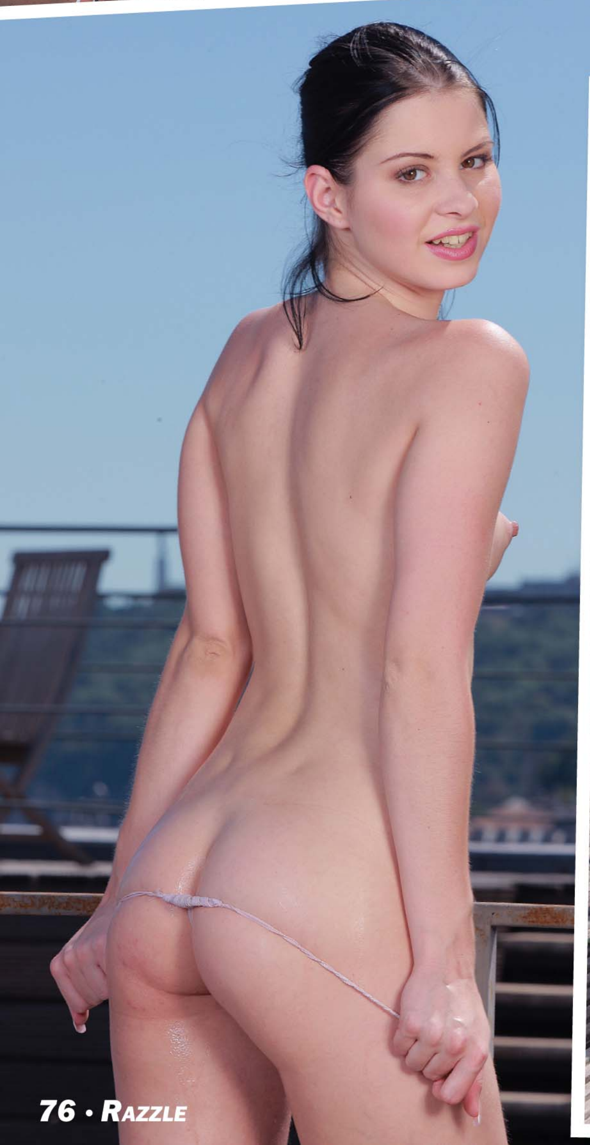
VERDE



BARBARA

Well, 2013's been a bit of a washout so far, hasn't it? There was one hour of summer in June though, and we were there waiting by the back door for it with a sexy young Bradford girl (Barbara), some skimpy crotchless knickers and a bottle of water to splash over her piping hot pink pussy. What a scorcher she is!

TRUE CON

WHO WOULDN'T DO THE DIRTY WITH A SERIOUSLY SEX-CRAZED BIRD LIKE THIS?

I'm currently staying with my friend and his girlfriend in Manchester while I try to find a job and place to live, and have been for quite a while now. I kind of arrived unannounced but, being the good mate that he is, he put me up in their spare room without question.

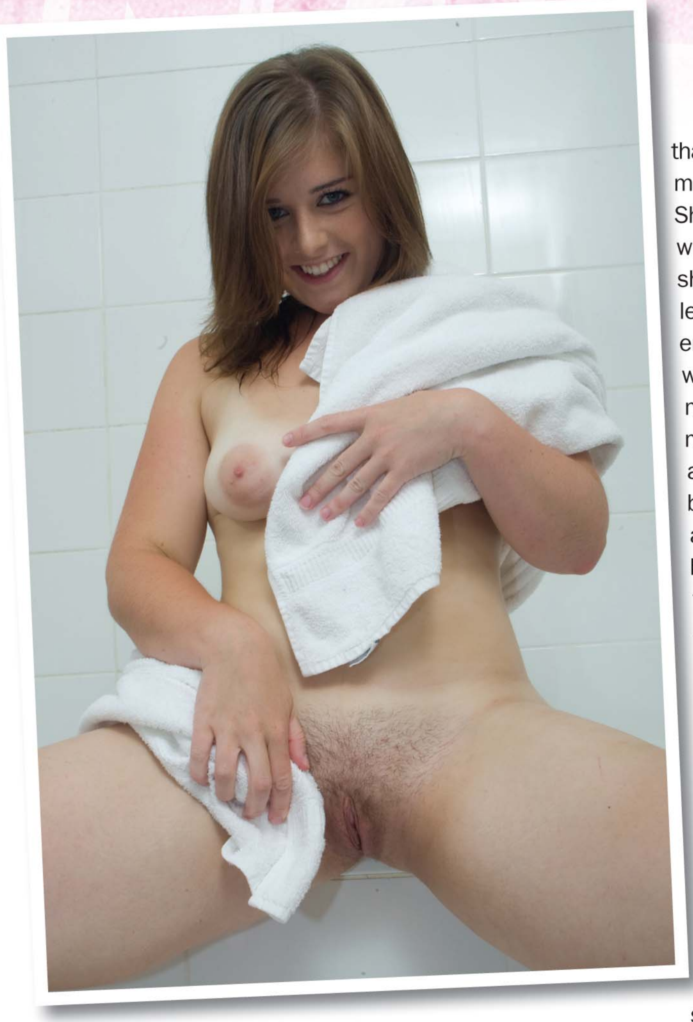
I get on well with his girlfriend, and as she gets home from work early, we usually hang out together until Seb arrives home. Unfortunately for him, he doesn't realise quite how we've been filling our time in his absence. I know he trusts me implicitly, and that he's glad Miki has some company while he's out of the house, but that just makes what we've been up to even worse. It's mainly her fault, really, but I'm sure he wouldn't see it that way, if he ever found out. In fact, I know he'd kick the shit out of me… And I'd deserve it.

After the first few times we chatted, and we got on great, Miki would blatantly steer the conversation towards my love life and, more often than not, my sex life, or lack of one, actually. When she first started telling me about hers with Seb, I was a tad embarrassed and wasn't sure what to say – I kind of felt it put me in an awkward position – but at the same time I was fascinated at the things she told me they got up to. Theirs was a pretty adventurous love life (unlike mine back then) and I was slightly envious about Seb managing to bag such a nympho. However, the biggest shock came when she openly told me about affairs that she had had to satisfy herself – and that Seb even knew about some of them! When Miki first began to confide in me I was uncomfortable about how to react, but after a while, being a typical bloke, listening to her tell me all about their private life really turned me on and so when, out of the blue, she asked if I fancied her, all my loyalty to Seb went out of the window.

> **"I DRENCHED THE CRACK OF HER ARSE IN CREAMY JIZZ"**

"Yeah, of course," was just about all I managed to blurt out, before she'd moved swiftly across the sofa until her face was inches from mine. Kissing me squarely on the lips, I was taken aback by how forward she was – despite her stories about her sex life – but when she pushed her soft tongue into my mouth, I didn't hesitate to grab the tits I had spent the last few weeks staring at. She responded by reaching straight down to my crotch and rubbing at my hardened dick through my jeans, which had been throbbing throughout the whole conversation. Her breasts are absolutely fantastic, big and rounded but incredibly

FESSIONS



pert, and I spent minutes rubbing them and pushing them together, taking in their full curvature, before rolling her nipples between my thumb and forefinger.

Miki, meanwhile, deftly undid my jeans and flopped my prick out before immediately wanking away, finding her rhythm virtually immediately. With her other hand she pulled my head towards her chest, moaning softly, “Bite my nipples, you bad boy! Go on, you know you want to take it between your teeth and just bite!” I obeyed her, but each time I did, she flinched and yelped, before tossing me off even faster and more vigorously than before. I was almost ready to shoot my load already, so I gently removed her hand from my pulsating cock and gave myself a bit of a breather by taking a moment to undo and peel off her jeans, enjoying the gorgeous view as my dick, although much calmer now, still pulsed visibly with anticipation.

Bending Miki over the sofa, I noticed a small tattoo of some Japanese characters at the top of her arse, which made her look that little bit slutty, and made me feel as horny as hell. She was bent at the waist with her legs wide apart, her short and sharp breathing letting me know that she was enjoying the anticipation of what was to come just as much as I was, which made me smile to myself. I could also tell that she loved being screwed from behind, as she reached between her legs, grabbing my meat towards her hastily, as I stood admiring her shapely backside. When the head of my cock popped into her pussy, she instantly commanded, “Don’t stop until I’ve come!”

Seeing her body bent over as I banged away at her snatch was almost too much to bear, and I had to bite down on my lip and concentrate on things in the room to prevent my spunk from spraying straight inside her. As I did this, I noticed the clock and, realising that Seb was normally home in about quarter of an hour, started to really drive myself in and out of her cunt harder and faster than before. “Yes, yes!” she screamed, as I kept one eye on the time and one eye on her gorgeous arse jiggling in front of me, beads of sweat running down her pale skin and turning into droplets as they fell onto the material of the sofa.

“I’m fucking coming!” she grunted loudly, and my dick was suddenly even deeper inside her, further than I thought possible, as her pussy muscles pulsated around it. The noise she was making was incredible and I felt my come shooting through my shaft. Whipping it out just in time, I drenched the crack of her arse and covered her tattoo in my creamy jizz.

It was then that she, too, noticed the time. We both hurriedly cleaned up any evidence and I disappeared to my room, leaving her alone watching TV when Seb walked through the door, not two minutes later! You’d think that such a close call would be a warning not to do it again, wouldn’t you? However, it’s now a nightly ritual and the excitement of getting caught is all a part of it. I do feel bad about doing the dirty on my mate – especially after he was kind enough to put me up – but if a woman has needs, who am I to argue…?

MICHELLE & LAURA

Lunchtime for us consists of a curled-up sandwich and a pint of fizzy lager. Michelle's midday repast looks much more appetising as Laura splays her thighs and our Mich tucks into her juicy pussy. "We could spend all day sucking, tonguing and frigging each other's holes!" cooes Laura. "And frequently do!"

The Bottom Line

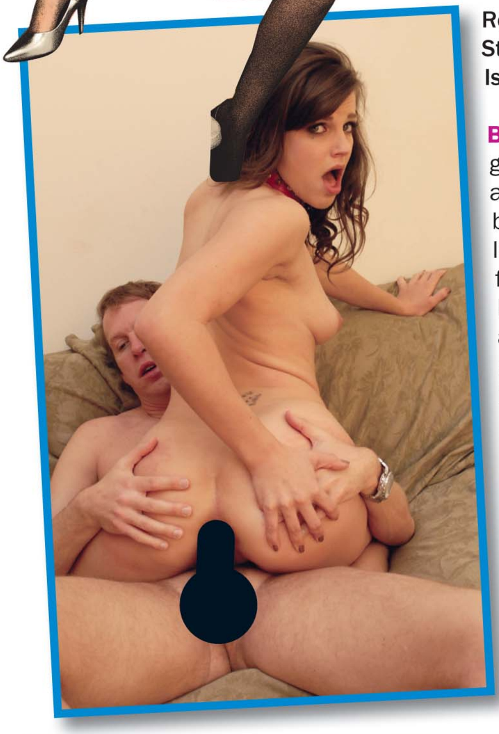
Mr. Pete's
Addicted to Anal
Red Light District

Released by: Red Light District
Starring: Bobbi Starr, Lorelei Lee, Kissy Kapri, Britney Stevens, Isabella Pacino



BEST BITS: An impressively gorgeous cast, spanking, gagging, gaping, A2M, DPs… what more could you possibly ask for in an anal movie? How about Bobbi Starr (*pictured*) being made airtight with two dicks and a huge black dildo? Or super-fit covergirl Isabella's foot-worship/face-fucking rendezvous? Well, for us it has to be former fetish model Lorelei Lee's high-energy interracial fuck that sees her in a torrid DP before urging them both to splodge all over her pretty face – which they do, enthusiastically – and rubbing it in like the dirty bitch she is. Red Light District really live up to their reputation here. Bravo!

WORST BITS: There's no way busty Britney Stevens can keep up with her fellow starlets – especially after Lorelei's performance.

DVD FEATURES: Trailers, cumshot recap and featurette. Cheers!

Anal Debauchery III

R18

Released by: Harmony Films
Starring: Samantha Bentley, Anissa Kate, Anna Joy, Valentina Nappi

BEST BITS: Infamous director Gazzman does it again: Samantha Bentley (*left*) shines in both of her threesomes, the first being her fabulously filthy tryst with Valentina Nappi and a stunt-cock, and the latter seeing her juggle two cocks with aplomb! The rest of the cast don't let the flick down, either. Anna Joy's interracial twosome is scorching, with butt plugs, spitting and a DP; Anissa Kate gets the living daylights fucked out of her; and Valentina Nappi (*right*) gapes for both her male partners like there's no tomorrow.

WORST BITS: Call us greedy, but we'd like to have seen a foursome or orgy scene, rather than three threesomes and two duos. Plus, five scenes aren't enough – despite shooting a wad within the first ten minutes!

DVD FEATURES: Photo gallery, cumshot recap and that's it! C'mon Harmony, sort it out!

Anal Pleasure

Released by: Viv Thomas Productions
Starring: Cathy Heaven, Teena Dolly, Colette (*pictured*), Alexa Candy

BEST BITS: Covergirl Teena Dolly takes it so hard in her pussy – you can hear the fanny farts from a mile away – before she impales herself anally on her cocksman's tool with the enthusiasm you'd hope she'd have. Busty Cathy Heaven is the standout performer here, though, giving some great deep-throat before taking her co-star's prick up her back passage with aplomb! Pair the horny hottie's energetic performance with some amazing close-ups and slow backside penetration and you've got a very wank-worthy scene!

WORST BITS: Apart from the short running time, every scene is designed to the same formula. By the time you reach Alexa Candy's bumming, it's all a bit, well, samey. A difference in sound quality in the penultimate scene could make for an embarrassing moment for any secretive viewers – the volume was suddenly so loud it made me lose my boner totally.

I Want Some Ass Cream

Released by: Private Movies
Starring: Liza Del Sierra, Jada Fire, Holly Wellin, Kathy Campbel, Ashley Blue, Chelsie Rae

BEST BITS: Six scenes of some seriously filthy sodomy, most resulting in creampies, this has to be one of Private's best anal feature to date. The female cast is awe-inspiring, and the girls live up to our expectations. Kathy Campbel more than holds her own against her stud, gagging on his tool and urging him to fuck her arse harder, despite being pummelled and choked at the same time! British blonde Holly Wellin (*right*) takes a huge dildo in her bum before it's replaced with an equally gargantuan dick.

WORST BITS: It would have been nice to see a threesome – or even a foursome – instead of the six one-on-ones we see here.
